on our oval models

Wall height: Terra 48" (1.22 m)/Coral 52" (1.32 m)

The wall is protected by a polyenamel finish that increases resistance against corrosion.

- Highly developed structural support
- Installed every 30 3/4" for more strength on straight sides
- Reinforcements add vertical strength where water pressure is strongest

∴ strength for premium durability!

The Alias's steel structure is entirely protected by a combination of finishes. These optimize its resistance to corrosion while preventing condensation between the liner and the wall – ensuring a long, solid life for your pool.
