Garden Leisure Pool Package Specification

Filter Pump

Pool Ladder

Floating Solar Cover

3 kw Pool Heater
c/w RCD

The UK's premier Above Ground Pool Brand presents the new Garden Leisure range of pools. Our unique HOT pool package specification detailed in the left hand column includes our 3kw pool heater which comes complete with an RCD circuit breaker. The Garden Leisure range of pools are very easy to install which means you could be swimming within an hour of getting the pool home.
